

CIRCLE PRE-K CURRICULUM

Incorporating time-tested lessons from the CIRCLE Activity Collection: Pre-K, the CIRCLE Pre-K Curriculum provides all the resources needed to support weekly planning and delivery of **comprehensive Pre-K instruction**.

The CIRCLE Pre-K Curriculum Features:

- Comprehensive coverage of skill domains supporting cognitive and social and emotional development
- Balance of teacher-directed lessons and child-initiated activities
- Daily playful and purposeful experiences across whole group, small group, and center time
- Lesson scripting that follows a teaching and learning cycle
- Flexible *Theme Guides* for building language and background knowledge through meaningful and relevant experiences
- Scaffolds and teacher tips for modifying lessons
- Authentic videos of lessons in action (available through the online CIRCLE Activity Collection)
- English and Spanish versions

Order Print Editions:

Complement the online curriculum with conveniently bound print editions.

While the online curriculum houses digital features like videos and search/filter options, we recognize some users may appreciate having hard copies of the curriculum to reference when implementing lessons. **Printed curriculum materials are available in English or Spanish.**

TEACHER'S MANUAL

- Detailed resource for the curriculum's development and components, guidance for lesson planning, descriptions of each learning domain, explanations for why lessons follow a specific sequence, approaches to learning and instruction, and more.

SCOPE AND SEQUENCE COLLECTION

- Welcome to Pre-K! book for the first two weeks of school, featuring the *Scope and Sequence* and *Theme Guide* integrated in one resource.
- 15 *Scope and Sequence* books addressing 33 weeks of whole- and small group instruction.
- Each book includes a full version of all *CIRCLE Activity Collection* lessons used.

THEME GUIDE COLLECTION

- 9 Theme Guides help to organize meaningful, hands-on lessons and experiences around a common theme. Each theme is designed around different topics addressing concepts and experiences that build important background and content area knowledge.

SUPPLEMENTAL MATERIALS COLLECTION
