Curriculum Components

Built to help you.

Activities A-Z

The Activities A-Z books contain all the classroom activities found in the CIRCLE Infant and Toddler Curriculum for all ages. The activities are organized in alphabetical order across two books.

Family Engagement

The Family Engagement book contains print-friendly, blackline masters of all family activities included in the CIRCLE Infant and Toddler Curriculum for all ages in both English and Spanish.

Plan Your Week

The Plan Your Week books provide comprehensive planning guidance for children. Each book is divided by age groups and defined into four week cycles.

Supporting All Children

The Supporting All Children flip-book contains tips and strategies for adjusting activities, routines, and materials to support the needs of all children. This resource is individually tabbed to quickly locate auditory, dual language learners, language, motor, sensory, social and emotional, and visual supports.

Teacher's Guide

The Teacher's Guide is a detailed, easy-to-use resource to help teachers support infant and toddler growth and development, provide engaging experiences and supportive environments, respond to children's individual needs, implement the different components of the curriculum, and much more!

Supplemental Resources

Hello, Goodbye Chart, Hand Washing Steps Cards, Transition Cards for 0-36 Months, Activity Cards for 24-26 Months, and a book with a collection of rhymes, songs, and fingerplays.

Lakeshore®

CIRCLE Infant and Toddler Essentials Kits are also available for purchase. They are created in partnership with Lakeshore and are packed with a selection of open-ended materials and storybooks to support curriculum activities.
