Alphabet Arc

This two-sided mat is used with an assortment of **Alphabet Arc/El arco del alfabeto** activities. Seven activities frequently repeat throughout the curriculum. The mat displays uppercase letters on the front and lowercase letters on the back.

Attendance Chart

This chart is used daily as children move their name/picture cards into the classroom (top portion) when arriving at school, then into the community (bottom portion) as they leave for the day. See the Rules, Routines, and Procedures section of the *Teacher's Manual* to learn more about using an Attendance chart with children.

Note: Determine how you prefer children's names to attach. Magnet dots or magnetic tape on the backs of laminated name cards work well when a chart can be posted on the board. Other options include attaching clothespins to name cards to clip along the chart's perimeter or attaching Velcro® dots to the chart and backs of name cards.
